Annington donates bench to Sprowston Senior Citizens Club

A senior citizens' club has received a bench for their garden.

The Sprowston Senior Citizens Club, located in Sprowston, Norfolk, was given the bench by property developers Annington.

The new bench is inscribed with the phrase: "Sit with a friend and chat awhile."

The club, located just over a mile from Annington's new development, offers activities such as snooker, bowls and weekly social events.

Wendy Rump, chair of the Sprowston Senior Citizens Club, said: "The club is a registered charity, so we run on membership fees, hire fees and donations from kind sponsors such as Annington.

"Our outdoor seating had become quite worn in recent years, so we're thrilled to accept this donation of a new bench.

"I'm sure it will be eagerly used by the members to sit down and enjoy the gardens while enjoying a chat over a cup of tea."

Annington has recently launched a collection of two and three-bedroom homes for sale on Proctor Road and Archer Close in Sprowston.

Prices start from £265,000 for a two-bedroom home.
